Equipment

- TWO sets of uniforms (jersey + socks) will be provided to each student, and these will be included as part of the registration fee. Players will be able to provide input for their choice of jersey #'s. Names will be on jerseys.
- Other than the uniforms listed above, participants must supply all of the rest of their protective equipment.

Practices & Scrimmages

- Unless otherwise noted, practice sessions will be 1 hour and 15 minutes long and will be run by the staff of PTH.
- Each practice will have two teams on the ice. (30 players 2 goalies)
- Curriculum will combine individual skill development with on ice tactical and game flow exercises.

Scrimmages

- ALL scrimmages will be played on a full sheet of ice.
- Scrimmage length will be 60-minutes, running time (some weeks 55 minutes due to warm up)
- Referees will be assigned to officiate the scrimmages.
- Fair and equal ice time will be utilized for the program.
- PTH staff will be 'on the ice and the bench' for scrimmages.
- Each player will be provided with TWO sets of uniforms, and will be required to have BOTH of them 'in the bag' for every session. Players will be divided into two different teams for their weekly competition. Team assignments and positions will change every 3-4 sessions, but small adjustments on a weekly basis may occur.
- An extra competition (tournament or skills competition) will be entered for all players as part of the program. Cost for travel and/or lodging is not included.
- Optional scrimmage at PNC Arena ('Rink of Dreams' Event put on by the Carolina Hurricanes)

Teams

- TWO teams of 16 players (15 skaters + 1 goalie)
- Teams will consist of 3 full lines, which PTH feels is much better suited for full ice scrimmages.

Attendance

- Unless it is discussed prior to registration, players will not be able to substitute alternate PTH programs to "make up" for missed YDP sessions.
- While attendance is not mandatory at every session, families are expected to notify PTH if/when they will be absent. This will help PTH to efficiently structure practices and edit rosters for weekly scrimmages.

Supplementary Youth Hockey Programs

- PTH encourages hockey families to use PTH's YDP to complement the other existing youth hockey programs in the area (Raptors Hockey Club, Carolina Eagles, Carolina Stars, NC Force, RYHA & Polar House League). Several families have balanced YDP with one or more of these additional programs in the past as the schedules tend to avoid any conflict.
- Polar House League in the past has worked with families who participate in YDP. Each family will be treated on a case by case basis to determine the appropriate discounts or scheduling that Polar may apply.

Goaltenders

Families who register for the GOALIE positions of YDP will have the following 2 options at registration:

1. Pay full price registration and receive specialized weekly goalie instruction at practice.
2. Pay half price registration and participate, and participate in all practices without specialized goalie instruction.
